

A woman with short, wavy brown hair and glasses is smiling. She is wearing a blue zip-up jacket over a teal shirt and black pants. She has a black messenger bag slung over her shoulder. She is standing on a balcony with a metal railing, looking out over a large, calm body of water. In the distance, there are hills and some buildings.

“ I AM GRATEFUL TO  
THE PEOPLE WHO ARE  
THERE FOR US PATIENTS,  
UNSELFISHLY. AS A  
PEDIATRIC NURSE,  
I AM IMMERSED IN  
MY WORK. I AM VERY  
THANKFUL THAT I  
CAN PRACTICE MY  
PROFESSION.”

Elvira, 46, living with IgA deficiency & CVID

# HOW IS YOUR DAY?

Making the difference with plasma proteins.
