

A woman with blonde hair, wearing a white lab coat over a blue collared shirt, is smiling warmly. She is in a laboratory or medical setting, with various pieces of equipment and a blue sleeve visible on her arm. The background is slightly blurred, showing a clean, professional environment.

“ I HAVE DONATED
PLASMA MORE THAN ONE
HUNDRED TIMES. IT IS A
VERY GOOD FEELING TO
KNOW THAT I CAN HELP
PEOPLE WHO ARE IN NEED
OF PLASMA.”

Szilvia, 40, plasma donor

HOW IS YOUR DAY?

Making the difference with plasma proteins.
