

A woman with short blonde hair and glasses, wearing a white collared shirt, a red cape, and dark plaid pants, is kneeling in a garden. She is holding a small amount of soil in her right hand. The garden has several small plants with heart-shaped markers. In the background, there is a dense green hedge. The overall scene is outdoors and appears to be a well-maintained garden.

“ THANKS TO  
IMMUNOGLOBULIN  
THERAPY, I CAN LIVE  
A NORMAL LIFE...  
AND LOOK TO MY  
FUTURE WITH  
CONFIDENCE.”

Cornelia, 68, living with CVID
